

Keeping our students safe is of the utmost importance to the faculty and staff at St. James school.

If you ask someone to pick up your child or children from school, whether it is from the office, carline, or aftercare, please make certain the designated person is on the school list of people who are allowed to check out or pickup the student/s. Please contact the office to update your list if necessary - it is easy to do and will help ensure the safety of your child.
