

It has become a tradition at St. James for the entire student body to create beautiful, hand-painted papier mache' Christmas ornaments.

These ornaments will go on sale in the Children's Art Gallery (located in the Parish Center) during the Christmas show on December 13th and December 14th.

These one-of-a-kind ornaments will make a wonderful gift and evoke lasting memories.

Pictured are 2nd grade students holding Christmas ornaments from previous years.
