## **EVERY HERO NEEDS A SQUAD**

On behalf of our precious student, Sumner Holland, our PK3 and 4th grade classes have teamed up to collect donations for the Leukemia & Lymphoma Society.

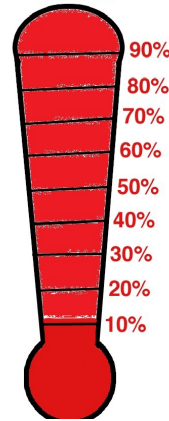

We are asking that each of our students donate \$2 to LLS; however, any amount will be appreciated. The collection boxes may be used at home to collect both dollars and coins. We will launch our fundraiser on **Monday, April 16th**, and our final count will be at 8:30 a.m. on Friday, April 27th.

Our school goal is \$500.

As a team, if we reach our goal, Mrs. Broadus will reward us with popsicles and an extra recess!!

**100%**

**\$500**

Your child will be helping local cancer patients beat their disease by raising funds needed to support blood cancer research. By collecting donations, LLS is able to find effective cancer therapies that, over the last 50 years, have increased the childhood leukemia survival rate from 3% to 90%!!! LLS also provides financial support to families affected by blood cancer to help combat the high cost of cancer care.

*Thank you for considering a contribution to this very special cause, on behalf of a very special boy!*

*Sincerely,*

*The teachers and students of our PK3 and 4th grade classes.*
