

St. James Catholic School

Pre-K4

Service Project

St. James Pre-K 4 classes will sponsor a donation collection throughout the month of January for the Humane Society of South Mississippi. Items should be placed in the boxes near the cafeteria. With no federal funding, HSSM operates on the donations of supporters and business partners to effectively achieve their goals. We are accepting donations of any of the items listed below, as well as Gift Cards to pet supply stores, office supply stores, and gas stations. Our Pre-K 4 teachers and students will go on a field trip to the Humane Society and deliver the items at the beginning of February.
