

## ITBS Testing ~ Grades 2-6

April 16th - 20th

If your child is sick, please call the office prior to 8:00 a.m.

Children typically perform better on tests when they are taken with the rest of the class.

To help your child prepare for these tests the following tips are suggested:

1. A good night's sleep.
2. A wholesome breakfast.
3. A good attitude upon coming to school.
4. A family prayer to do our best.
5. Arrive at school on time.

**Please send your child to school with two #2 sharpened pencils.**

**Children need to be in the classroom before 8:00 A.M.**

**Students who are tardy will not be allowed in the classroom if testing for that day has begun.**
