

The Scholastic Book Fair will come to the library the week of August 21st – 25th.

We receive 20% of your purchases in the form of cash credits for the purchase of new books each year. This is a great way to buy exciting, recently published books for your children and to make a significant and lasting contribution to our school library as well.

We have long been recognized as having the finest library and the best student readers on the Mississippi Gulf Coast.

Anyone interested in volunteering for the Scholastic Book Fair
please email Ms. Connie at
cfavret@stjamesgulfport.com
to reserve your date and times.

Thanks in advance to all parents, grandparents, and students,
for your purchases and generous support each year.
