

St. James Catholic School Sunshine Committee

The Sunshine Committee at St. James
wants to help brighten the days of the
members of the school community.

If you know of a student who is sick or hurt,
or of a family who is going through a hard time,
please pass this information along to

Julie Bentz at 228-229-3292.

The Sunshine Committee
will reach out to them to
bring a smile to their faces
and make their day
better.
