

Exciting news about our Food Service Program!

Attention Families!

St. James Catholic School is participating in the *Extended Summer Food Service Program*, which has been approved by the USDA in response to the COVID-19 pandemic. The program is expected to end on May 25, 2021. This means that **ALL** of our students may eat lunch in the cafeteria for **FREE** until the end of the 2020-2021 school year! Our school will receive reimbursement for every lunch served in the cafeteria, so we hope that each of our families takes advantage of this wonderful opportunity to save some money and help our cafeteria! If you have paid for any school lunches during the month of October, your child's lunch account will be credited. No cash or check refunds will be issued.

This program does NOT include ice cream - please continue to send money if your child/ren would like ice cream on Friday.

This institution is an equal opportunity provider.
