

*St. James Catholic Church and School are excited to announce*  
*“A Taste of Fall Festival”*

As part of our un-traditional Fall Festival, which has been renamed this year as our Fall Maskquerade, we are planning to serve take-out dinners on Fridays throughout October, starting on October 2nd. The dinners will be served from the school cafeteria and available on a pre-order basis. Order forms will be sent out weekly.

The Fall Maskquerade is our largest fundraiser of the year, and we count on and need the support of our parish family, school families, and community to help make it successful. The money we raise during this important event is used to help the parish and school complete their mission; to live and learn in the light of faith.
