

DIOCESE OF BILOXI PRO LIFE MINISTRIES
BABY BOTTLE PROJECT

January 5,2021

Bishop Kihneman has moved the St James Billboard Initiative under the wings of the diocese, and we would like to have our first baby bottle fundraiser to support this project and commemorate the anniversary of Roe vs Wade on January 22nd. The diocese will not be sending our youth to Washington DC this year for the March for Life, but we would still like to raise awareness in our students about this important issue. As Catholics we need to continue to educate people about the right of every baby to live! Our billboard image of Mary and Jesus is admired by many and currently is in 7 states in the southeast region. We aim to have one in every state! We hear of changed hearts and saved lives after seeing this beautiful peaceful image of our Blessed Mother and Baby Jesus.

Our plan is to distribute a baby bottle to every student and staff member in your school during the week of January 5th in religion class. We would like to have them distributed by Friday January 8th, and then returned by Friday January 15th. We will total the money collected and announce the amount raised on January 22nd.

Can you please help us by filling and returning the baby bottles with loose change and dollar bills? No amount is too small! Checks can be made payable to Diocese of Biloxi with Pro Life on the memo line. We will give a pizza party to the class that raises the most money!

Please don't hesitate to call or email me with any questions.

THANK YOU AND HAPPY NEW YEAR!!
